**Subject: Preparatory meeting for Europe Advisory Safety Committee for Research Reactors (Pre-EURASC), Vienna, Austria, from 27 to 29 April 2026**

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER1025, “Enhancing Utilization, Operation, and Safety of Research Reactors”.

The purpose of this event is to establish the activities of the Europe Advisory Safety Committee for Research Reactors (EURASC), develop its terms of reference in accordance with IAEA Safety Standards and share regional and interregional practices and experiences of research reactor safety committees.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

We would appreciate receiving your country's nominations by **2 March 2026** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

Azat Nurken

Programme Management Officer

Division for Europe

Department of Technical Cooperation
