Subject: Regional Coordination Meeting on Strengthening Calibration Capabilities in Radiotherapy, Diagnostic Radiology, Nuclear Medicine, and Radiation Protection, Vienna, Austria, from 8 to 10 April 2026

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER6046, “Strengthening Ionizing Radiation Metrology in Europe and Central Asia”.

The purpose of the meeting is to discuss the needs, gaps, and areas for improvement related to calibration capabilities in the participating Member States, and to agree on the project work plan, including the identification of potential host countries for regional training activities.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

We would appreciate receiving your country's nominations by through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,
