

International School of Nuclear Law (ISNL)

IAEA Financial Support

Application procedure

If you are interested in applying for IAEA financial support with respect to your participation in the ISNL, you are kindly asked to submit, in addition to your [ISNL application form](#) to be submitted to the NEA, an application directly to the IAEA.

Applications for financial support should be submitted online through the [InTouch+ system](#). Applications should be linked to the [technical cooperation project INT0102 – Establishing and Enhancing National Legal Frameworks in Member States, EVT2400423](#).

Interested candidates are kindly invited to visit the [InTouch+ Help Page](#) to learn more about Intouch Plus event applications. The help page provides step-by-step guidance on how to complete your Intouch Plus profile, how to find the event you are looking for and how to successfully submit your online application. Any issues or queries related to InTouch+ can be addressed to [InTouchPlus Contact Point](#).

Deadline

The deadline for the receipt of applications for IAEA financial support for the 2024 session is **31 March 2024**. Applications received after the deadline and applications that have not been submitted through InTouch will not be considered.

Should you have any additional questions regarding IAEA financial support for the 2024 session of the ISNL, please feel free to contact us by [e-mail](#).

IAEA financial support

The IAEA awards financial support to a limited number of professionals from its Member States that are eligible to receive financial support under the IAEA Technical Cooperation Programme. The selection is based on the particular interest and involvement of the applicant in the field of nuclear law.

The list of TC Programme recipient countries and territories is available [here](#).

Background

The International School of Nuclear Law (ISNL) was established by the University of Montpellier in co-operation with the OECD Nuclear Energy Agency (NEA) in 2001. The School benefits from the support of the International Atomic Energy Agency. For detailed information on the ISNL, please visit the [NEA website](#).

The 2024 ISNL session will take place from 26 August to 6 September 2024.
