Subject: Interregional Training Course on Siting for Nuclear Power Plants, Including SMRs, Moscow, Russian Federation, from 12 to 16 May 2025

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project INT2024, “Supporting Member States Introducing or Expanding Nuclear Power Programmes to Develop a National Infrastructure for a Safe, Secure and Peaceful Nuclear Power Programme”.

The purpose of the event is to train participants on the principles and good practices related to the siting survey and selection process of a Nuclear Power Plant (NPP) including Small Modular Reactor (SMRs) in line with the guidance provided by the IAEA and international practice.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

**Occupational Exposure to Radiation:** This activity may involve occupational exposure to radiation. Therefore, persons nominated are required to duly complete and return the attached Occupational Exposure History (OEH) form. The IAEA will provide participants in due course with a dosimeter to monitor their occupational exposure during this event.

We would appreciate receiving your country's nominations by **14 March 2025** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,
