Subject: TC Regional Workshop on Strategic Planning for Research Reactors, Vienna, Austria, from 19 to 23 May 2025

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER1022, "Enhancing Utilization and Safety of Research Reactors".

The purpose of the event is to (i) provide participants with knowledge and practical information for development and implementation of a strategic planning for research reactors and (ii) contribute to the enhancement of the utilization of existing research reactors.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

We would appreciate receiving your country's nominations by **24 March 2025** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

Azat Nurken  
Programme Management Officer  
Division for Europe  
Department of Technical Cooperation
