Subject: Regional Training Course on the Use of the IAEA's Model for Energy Supply Strategy Alternatives and their General Environmental Impact (MESSAGE) for techno-economic energy supply assessments, Ankara, Türkiye, from 30 June to 11 July 2025

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER2018, "Analyzing Low Carbon Pathways towards an Ambitious Decarbonized Energy Sector by 2050".

The purpose of the event is to train the participants in using the IAEA Model for Energy Supply Strategy Alternatives and their General Environmental Impact (MESSAGE) tool to conduct techno-economic energy supply assessments for climate-compatible electricity system development pathways.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

We would appreciate receiving your country's nominations by **31 March 2025** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,
