Subject: Regional Workshop on Quality Assurance/Control and Safety in Paediatric Radiology, Astana, Kazakhstan, from 23 to 27 June 2025

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the joint IAEA technical cooperation projects RER6042, “Building Capacities of Medical Physicists in Diagnostic Radiology to Support the Establishment of Quality Management Systems”, and RER9157 “Strengthening Implementation of the Justified and Optimized Use of Ionizing Radiation in Medicine”.

The purpose of the event is to discuss and share experience on how to strengthen quality assurance/control and safety in paediatric radiology according to the requirements of the International Basic Safety Standards GSR Part 3 and other relevant IAEA guidelines.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

We would appreciate receiving your country's nominations by **29 April 2025** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

Alexey Katukhov

Programme Management Officer

Division for Europe

Department of Technical Cooperation
