**Subject:** Regional Training Course on Inspection Processes for Medical and Industrial Radiation Facilities, Ankara, Türkiye, from **16 to 20 June 2025**.

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER9158, “Strengthening the Regulatory Infrastructure for Radiation Safety”.

The purpose of this training course is to train the participants on applying IAEA safety standards to regulatory functions focusing on inspections in medical and industrial practices involving the use of radiation sources.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

**Occupational Exposure to Radiation:** This activity may involve occupational exposure to radiation. Therefore, persons nominated are required to duly complete and return the attached Occupational Exposure History (OEH) form. The IAEA will provide participants in due course with a dosimeter to monitor their occupational exposure during this event.

We would appreciate receiving your country's nominations by **30 April 2025** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,
