

International School of Nuclear Law

Good morning,

We are pleased to inform you that the [application](#) has been posted for this summer's session of the [International School of Nuclear Law \(ISNL\)](#), which will take place from 21 August to 1 September 2023 at the University of Montpellier in Montpellier, France. You can find more information about the programme on our [2023 website](#) and by consulting the [ISNL Brochure](#) highlighting the history, academics and unique features of the ISNL that contribute to the “Spirit of Montpellier”.

The ISNL programme has been designed to provide participants with a thorough understanding of the various interrelated legal issues relating to the safe, efficient and secure use of nuclear energy. Comprehensive lectures are delivered by renowned specialists in nuclear law from international organisations, governments and private industry. To date, the ISNL has provided a unique educational opportunity to more than 1200 graduate students and professionals from around the world.

The application deadline is **31 March 2023**.

If you are a professional and applying for **IAEA financial support**, you must submit an additional separate application form for financial support directly to the IAEA according to the information provided on their [website](#). If you are a student and applying for **NEA financial support**, this can be done on the application form directly.

Should you have any questions, please do not hesitate to [contact us](#).

Best regards, Kimberly

Mrs. Kimberly Sexton NICK
Head, Division of Nuclear Law
Nuclear Energy Agency (NEA)
