

Molten Salt Reactor Workshop
November 5 - 7, 2024
Knoxville, Tennessee, U.S.A.

OPEN REGISTRATION for the 2024 Molten Salt Reactor Workshop, November 5 - 7, 2024, in Knoxville, Tennessee.

Please visit the MSR Workshop website to register: <https://msrworkshop.ornl.gov/>

In celebration of the **10th anniversary** of the MSR Workshop and its continued growth, several changes for 2024 are:

1. The workshop is being held at the Marriott Knoxville Downtown.
2. The event has been extended to 3 days to include additional requested topics.
3. Exhibitor and sponsorship opportunities have been added.

Following feedback on last year's successful workshop, there will be lightning talks, poster session display, and an optional tour.

The 2024 MSR Workshop registration deadline is October 11, 2024.

Lodging: For discounted room rates, please use the reservation links provided on the lodging page: <https://msrworkshop.ornl.gov/lodging/>
