MSQ-27/2023

The Embassy of the Republic of Korea presents its compliments to the Ministry of Economy of the Slovak Republic and the Nuclear Regulatory Authority of the Slovak Republic, and has the honour to request that the attention of all appropriate governmental authorities is being drawn to the forthcoming **29th INSA International Training Course on Nuclear Security (Theme: Nuclear Security Infrastructure and Systems)**, which is to be held in Daejeon, Republic of Korea **from 12 June to 16 June 2023**.

The course is organized by the Korea Institute of Nuclear Nonproliferation and Control (KINAC/International Nuclear Nonproliferation and Security Academy (INSA) in cooperation with the Nuclear Safety and Security Commission (NSSC) of the Republic of Korea (ROK).

This course is designed mainly for individuals from government and organizations involving in the nuclear security of nuclear materials and nuclear facilities. The course aims to give awareness to participants at the beginner level about the concept on the nuclear security based on the IAEA publications and high-level decisions to be made when developing national nuclear security infrastructure. The course consists of lectures and small group exercises with utilization of Nuclear Security Research, Training and Test Facility (SETT) at INSA. The exercises will provide the participants with opportunity to apply the lecture material to practical situations.

The course is open to a maximum of 34 participants with 2 people from each country. Participants from the selected countries are eligible to receive financial assistance. For the application of the course, the attached nomination form should be submitted through the official channels **not later than 14 April 2023**. Nominations received after the deadline may not be considered. The selection of candidates is based on the ROK's view that their participation will lead to strengthening of the nuclear nonproliferation and security worldwide.

Please find the attached prospectus for further information regarding the administrative arrangements for the course and detailed application procedures.
