Subject: Regional Workshop on Good Practices for the Protection of Workers and Safe Management of NORM, Luxor, Egypt, from 1 to 5 September 2025

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER9163, “Improving the Protection of Workers Exposed to Radiation at Naturally Occurring Radioactive Material Sites”.

The purpose of the event is to discuss and share experiences on safe management of NORM with specific focus on worker protection, good practices and lessons learned as well to identify and assess approaches to further improve practices.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

We would appreciate receiving your country's nominations by **20 June 2025** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

Emina Alic
Programme Management Officer
Division for Europe
Department of Technical Cooperation
