National Liaison Officers /

National Coordinators

2022-06-14

Subject: Regional Workshop on Integrated Risk Informed Decision Making, Prague, Czech Republic, from 12 to 16 September 2022

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER9160, “Strengthening Capabilities on Safety Assessment and Risk Informed Decision Making for Severe Accidents and Off Site Consequences”.

The purpose of the event is to discuss and share with the participants national experience and approaches in the area of Integrated Risk Informed Decision Making (IRIDM) with special emphasis on existing experience and best practices in the area and application of Probabilistic Safety Assessment (PSA). Furthermore, it will focus on how PSA results can support various types of decision-making processes related to the different aspects of nuclear installation (e.g. design, operation, licensing, regulatory oversight).

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify suitable women participants.

The IAEA will provide non-local participants with a round-trip air ticket based on the most direct and economical route between the airport nearest the participant’s residence and Prague. Travel details will be agreed with the participants upon receipt of their official nomination. Participants will also receive an allowance from the IAEA sufficient to cover their costs of lodging, daily subsistence and miscellaneous expenses for the duration of the event in line with IAEA rules and procedures.

We would appreciate receiving your country’s nominations by **08 July 2022** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Should this not be possible, applicants may download the Nomination Form for the course from the [IAEA’s webpage](#). Completed forms must be endorsed by the relevant government authority and may be sent to the IAEA, preferably by email to Official Mail - IAEA Mail address Official.Mail@iaea.org, with copy to Ms Emina Alic E.Alic@iaea.org. Please be

advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

Alic Emina
