

International Nuclear Law Essentials (INLE) 2027 Session

1-5 February 2027

[2027 INLE Application form](#)

Programme

The 2027 International Nuclear Law Essentials (INLE) programme will bring together leading experts in nuclear law from international organisations, governments, academia and the private sector to provide participants with a comprehensive introduction to the legal framework governing the peaceful uses of nuclear energy.

Through a series of lectures and discussions, the programme offers a unique opportunity to engage with current issues and developments in international nuclear law.

The 2026 programme can be found here:

Application and admission process

Requirements

Applicants should have had at least one year of relevant professional experience and a basic understanding of law as it relates to nuclear energy.

Language

All lectures and discussions take place in English; all course materials will be provided in English.

Registration fee

The registration fee for the 2027 programme is EUR 3 200. The registration fee is not subject to French taxes of any kind.

The registration fee includes admission for the participant to:

- the general lectures and discussion sessions;
- social events, including a welcome reception and a group dinner.

Print and electronic reference materials will be provided to INLE participants.

Costs associated with travel, accommodation, insurance, subsistence and similar expenses are not covered by the registration fee.

Practical information

Venue

The INLE will be held at the [OECD Conference Centre](#) in Paris, France.

Dress code

The dress code during the programme is business casual.

When?

1 - 5 February 2027

OECD Conference Centre, Paris
