2025-08-12

Subject: Regional Workshop on Strengthening Severe Accident Management through Risk-Informed Practices, Rez, Czech Republic, from 18 to 21 November 2025

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER9160, “Strengthening Capabilities on Safety Assessment and Risk Informed Decision Making for Severe Accidents and Off Site Consequences”.

The purpose of the event is to discuss and share experience on how to strengthen capabilities in severe accident management through the application of risk-informed approaches that support the development of Severe Accident Management Guidelines (SAMGs).

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

We would appreciate receiving your country's nominations by **14 September 2025** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

Anna Melkumyan

Programme Management Officer

Division for Europe

Department of Technical Cooperation
