

Dear friends of the safe operation of nuclear energy production technology!

We want to invite you to the international October meeting of the project FIND (<https://www.linkedin.com/company/find-eu-project/>), which will take place from the 14th to the 16th of October 2025 in Levice (Slovakia).

If you're interested, please register using [this link](#).

We'd like to invite you to register, regardless of whether you plan to attend in person or online, so we can plan the infrastructure accordingly.

We thank you for registering rapidly, for the same reason.

FIND Meeting General planning is as follows:

- Day 1 (14/10): Work package discussions (part 1)
- Day 2 (15/10): Visit to Vuez facilities and Work packages discussions (part 2)
- Day 3 (16/10): Small group discussions

We also invite you to the FIND social dinner on Day 2 (15/10) at <https://frescolevice.sk/?lang=sk>.

To answer any questions, please email them to this address.
