Subject: Regional School of Radiation Emergency Management, Vienna, Austria, from 10 to 21 August 2026

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER9161, "Strengthening Regional Capabilities for Effective Preparedness and Response to a Nuclear or Radiological Emergency".

The purpose of the School of Radiation Emergency Management is to train the participants in the development and management of sustainable emergency preparedness and response (EPR) programmes, based on the IAEA safety standards, technical guidelines, EPR tools and training materials.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

**Occupational Exposure to Radiation:** This activity may involve occupational exposure to radiation. Therefore, persons nominated are required to duly complete and return the attached Occupational Exposure History (OEH) form. The IAEA will provide participants in due course with a dosimeter to monitor their occupational exposure during this event.

We would appreciate receiving your country's nominations by **28 February 2026** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,
