National Liaison Officers /

**National Coordinators** 

2022-12-22

Subject: Training Course on Fundamentals of Safe, Secure and Sustainable Nuclear Power Generation through the Intercontinental Nuclear Institute (INI), Lowell (MA), United States of America and Prague, Czech Republic, from 22 May to 16 June 2023

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER2018, "Analyzing Low Carbon Pathways towards an Ambitious Decarbonized Energy Sector by 2050".

The purpose of the event is to train the participants on practical fundamentals of safe, secure and sustainable nuclear power generation.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

The IAEA will provide non-local participants with a round-trip air ticket based on the most direct and economical route between the airport nearest the participant's residence and Lowell (MA) or a travel allowance to purchase an air ticket. Travel details will be agreed with the participants upon receipt of their official nomination. Participants will also receive an allowance from the IAEA sufficient to cover their costs of lodging, daily subsistence and miscellaneous expenses for the duration of the event in line with IAEA rules and procedures.

Occupational Exposure to Radiation: This activity may involve occupational exposure to radiation. Therefore, persons nominated are required to duly complete and return the attached Occupational Exposure History (OEH) form. The IAEA will provide participants in due course with a dosimeter to monitor their occupational exposure during this event.

We would appreciate receiving your country's nominations by **31 January 2023** through the IAEA's InTouch+ platform (<a href="https://Intouchplus.iaea.org">https://Intouchplus.iaea.org</a>). Should this not be possible, applicants may download the Nomination Form for the course from the <a href="IAEA's webpage">IAEA's webpage</a>. Completed forms must be endorsed by

the relevant government authority and may be sent to the IAEA, preferably by email to Official Mail - IAEA Mail address Official.Mail@iaea.org, with copy to Mr Christoph Henrich C.Henrich@iaea.org. Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

Christoph Henrich
Programme Management Officer
Division for Europe

Department of Technical Cooperation
