The Secretariat of the International Atomic Energy Agency (IAEA) presents its compliments to the IAEA's Member States and has the honour to draw their attention to the **Technical Meeting on Stakeholder Involvement and Public Communication** (hereinafter referred to as "event") to be held at the Khalifa University of Science and Technology, Abu Dhabi, United Arab Emirates from **29 April to 3 May 2024**.

The purpose of the event is to provide a forum for international exchange and sharing experiences and lessons learned related to Stakeholder involvement for new, operating and expanding nuclear power programmes, and to gather inputs from Member States on the IAEA Nuclear Energy Series publication under development in the area of stakeholder engagement.

The attached Information Sheet provides further details of the event.

The event will be held in English.

Member States are invited to designate one or more participants for this event. Member States are strongly encouraged to identify women participants.

It should be noted that compensation is not payable by the IAEA for any damage to or loss of personal property. The IAEA also does not provide health insurance coverage for participants in IAEA events. Arrangements for private insurance coverage on an individual basis should therefore be made. The IAEA will, however, provide insurance coverage for accidents and illnesses that clearly result from any work performed for the IAEA.

Designations should be submitted to the IAEA through the competent national authority (Ministry of Foreign Affairs, Permanent Mission to the IAEA or National Atomic Energy Authority) not later than **23 February 2024** using the attached Participation Form (Form A). Completed and authorized Participation Forms should be sent either by email to: Official.Mail@iaea.org or by fax to: +43 1 26007 (no hard copies needed). Copies should be sent by email to the Scientific Secretaries of the event, Ms Chaewon Lee (Email: C.Lee@iaea.org) and Ms Lisa Lande (Email: L.Lande@iaea.org) both of the Division of Nuclear Power, Department of Nuclear Energy, and to the Administrative Secretary, Ms Valentyna Dzyubenko (Email: V.Dzyubenko@iaea.org).

The Scientific Secretary of the event will liaise with the participants directly concerning further arrangements, including travel details, as appropriate, once the official designations have been received.

The Secretariat of the International Atomic Energy Agency avails itself of this opportunity to renew to the IAEA's Member States the assurances of its highest consideration.
