Subject

Notification on publication of basis for the decision in the matter of administrative proceedings „**Nuclear power plant Mochovce VVER 4x440 MW 3rd construction**“.

Nuclear Regulatory Authority of the Slovak Republic (hereon after “ÚJD SR”) is publishing additional documents as part of the basis for the decision in administrative proceedings in the matter of the application of the company Slovenské elektrárne, a. s. for issuing:

- Authorization for commissioning of nuclear installation pursuant to Section 5 (3)(b) of the Act no. 541/2004 Coll. on the peaceful use of nuclear energy (Atomic Act) as amended within the scope of buildings and facilities for the operation of Unit 3 and within the scope of buildings and facilities common for Unit 3 and 4 of the nuclear power plant Mochovce used for operation of Unit 3 (administrative proceeding No. 2.2),
- Authorization for management of radioactive waste and spent nuclear fuel pursuant to Section 5(3)(f) of the Atomic Act within the scope of buildings and facilities for the operation of Unit 3 and within the scope of buildings and facilities common for Unit 3 and 4 of the nuclear power plant Mochovce used for operation of Unit 3 including fresh fuel node (administrative proceeding No. 2.1),
- Authorization for early use of building Section 83 of the Act no. 50/1976 Coll. on Spatial Planning and Building Code (Building Act) as amended (hereon after “Building Act”) and Section 5(3)(b) and Section 19(3) of the Atomic Act within the scope of buildings and facilities for the operation of Unit 3, and within the scope of buildings and facilities common for Units 3&4 used for the operation of Unit 3 (administrative proceeding no. 2.3).

The basis for the decision and the draft of the decision in the administrative proceedings in question were published on Central Official Electronic Board of the Slovak Republic and on the ÚJD SR website from 17th February 2020 till 15th April 2020. Considering the nature of the activity that is the subject of the administrative proceedings, the participation of home and foreign public in the decision-making process as well as the impact of the epidemiologic situation on the fulfillment of the decision conditions by the applicant, it is the opinion of ÚJD SR that all the involved parties should again have the opportunity to familiarize them self's with the current state of fulfillment of the decision conditions in the above stated administrative proceedings.

By publishing the basis for the decision in administrative proceedings no. 2.1, 2.2 and 2.3 the provisions of Section 33(2) of the Act no. 71/1967 Coll on Administrative proceedings (Administrative Code) as amended (hereon after "Administrative Code") are executed, by which the administrative proceeding participants are given the possibility to comment the basis for the decision and the matter of its identification and eventually propose its amendment before a decision is issued. The draft of this decision and its publication exercises the right of the public mainly pursuant to Article 6 Section 2 of the Convention on Access to Information, Public Participation in Decision-Making and Access to Justice in Environmental Matters (hereon after "Aarhus Convention") as an international treaty that Slovak Republic acceded to. The Accede of Slovak Republic to Aarhus Convention has been published in the Collection of Laws of the Slovak Republic by the Announcement of the Ministry of Foreign Affairs of the Slovak Republic under the no. 43/2006 Coll.

As the basis for the decision for the above-mentioned purpose, ÚJD SR is publishing, at this stage, the Preoperational safety analyses report of Mochovce Unit 3 and 4.

At the next stage ÚJD SR will publish the amended draft of the decision in the matter as well as the document "Fulfillment of the Final Opinion No. 395/2010 – 3.4/hp Nuclear Power Plant Mochovce VVER 4x440 MW, project 3, issued by Ministry of Environment of Slovak Republic SR" and eventually other documents.

ÚJD will separately inform the proceedings participants and the public about the publication of the draft of the decision in the matter and additional documents for the decision in the next stage. Together with the with the information about the publication of the draft of the decision and basis for the decision in the next stage, ÚJD SR will set a date by which the proceedings participants and the public might comment on the decision draft and all published documents.

Access path to the basis for the decision:

„www.ujd.gov.sk” → „Information of public“ → „ Administrative proceeding - MO34 “ → „Basis for the decision for Unit 3 - publication“.

ÚJD SR would like to again remind the administrative proceeding participants that, pursuant to Section 8(10) of the Atomic Act as amended by the most recent Amendatory Act, published in Collection of Laws of the Slovak Republic under the no. 279/2019 Coll. and in force since 1st October 2019, it will send to the administrative proceeding participants all documents including the decision on issuing authorization, notice, reminder, summons or other documents in the form of public notice. Public notice will be published on the Central Official Electronic Board of the Slovak Republic and on ÚJD SR website.

Access path to the public notice on ÚJD SR will as follows:

„www.ujd.gov.sk“ → „Information of public“ → „ Administrative proceeding - MO34 “

The administrative proceedings participants that have sent their e-mail address to ÚJD SR (info@ujd.gov.sk), for the purpose of receiving notifications on public notice, will also receive this notification by e-mail.

Best regards,

Ing. Imrich Smrtník

Director of the Division of Nuclear Safety

Appendix: Unofficial working translation into English language of the Notification reg. no. 7507/2020

Pursuant to Section 80 of the Building Act this notification has the character of public notice and must be displayed publicly for the period of 15 days on the official board of the town. The last day of the display is considered the delivery date. After the prescribed display period has passed, the public notice will be returned to Nuclear Regulatory Authority of the Slovak Republic, Okružná 5 9178 64 Trnava with marked display date and hang down date.

The public notice will be made public in electronic form on the official electronic board of ÚJD SR and on the Central government portal.
