Re:

“Nuclear Power Plant Mochovce VVER 4x440 MW Phase 3“

Notice of initiation of proceeding for early use of the project, authorization for commissioning of nuclear installation, permit for management of nuclear materials at the nuclear facility and permit for management of radioactive waste and spent nuclear fuel

Investor: Slovenské elektrárne, a. s., ID No.: 358 29 052, with its registered office in Bratislava, Mlynské Nivy 47, 821 09 Bratislava 2, Plant of Units 3&4 of NPP Mochovce, 935 39 Mochovce, incorporated in the Commercial Register of the District Court Bratislava I, under No.: Sa 2904/B, filed a proposal for issuing a decision for early use of the project “Nuclear Power Plant Mochovce VVER 4x440 MW Phase 3 on 12 December 2016 at this Building Authority “.

The building permit was issued for the Project under No. 2010/86 dated 12 November 1986, changing the period of construction, file No. 97/02276-004 dated 5 May 1997, Decision on changing the period of construction No.2004/00402-007 dated 15 July 2004, Decision to change the construction before finishing No. 246/2008 dated 14 August 2008 and Decision No. 1124/2013 on determining the construction period dated 12 December 2013.

The date of filing is the date of initiating the proceeding.

The Nuclear Regulatory Authority of the Slovak Republic (the “Authority“) as the competent building authority pursuant to Section 4 par. 1 j) of the Act No. 541/2004 Coll. on peaceful uses of nuclear energy (the Atomic Act) and on amendments to certain laws as amended, and pursuant to Section 121 par. 2 e) of the Act No. 50/1976 Coll. on spatial planning and building code (the Building Act) as amended, notifies the initiation of the proceeding in accordance with:

- Section 80 of the Building Act for the early use of the building,
- Section 5 par. 3 b) and Section 19 par. 3 of the Atomic Act to issue authorization for commissioning of nuclear installation,
- Section 5 par. 3 g) of the Atomic Act to issue authorization for management of nuclear materials in the nuclear installation,
- Section 5 par.3 f) of the Atomic Act to issue authorization for management of radioactive waste and spent nuclear fuel.

Building objects of the project “Nuclear Power Plant Mochovce VVER 4x440 MW Phase 3 of the Project” that are subject of this proceeding are listed in Annex 1.

The dates of oral hearings linked with local inquiry on individual building objects will be announced by the Authority in accordance with Section 80 par. 1 of the Building Act, i.e. not less than 10 days before the oral hearing linked with local inquiry.

The ÚJD SR also points out that the documentation used for the licensing procedure contains also sensitive information pursuant to Section 3 par. 14 of the Act No. 541/2004 Coll. as amended. Their disclosure would be a violation of the Atomic Act. Sensitive information contained in the presented documentation could be misused to plan and perform activities aimed at causing disruption or destruction of a nuclear facility and thereby adversely affect public safety and cause ecological or economic damage.

The authorities concerned shall submit their opinions at the oral hearings linked with local inquiry on individual building objects, but not later than 30 days after these are held, otherwise any opinions applied later will be disregarded. Opinions on the findings during oral hearings linked with local inquiry on individual building objects can be applied in the Minutes from the local inquiry or sent in writing to the Authority, Bajkalská 27, P. O. Box 24, 820 07 Bratislava 27, but no later than 30 days after these are held, otherwise any opinions applied later will be disregarded.

The documentation, where any sensitive information will be excluded, shall be made available to the public from 14 February 2017 until 15 May 2017 at the Information Centre of NPP Mochovce every Tuesday from 09:00 hours until 15:30 h. and on Thursdays from 14:00 h. until 18:00 h. Any opinions or comments on the documentation can be sent in writing to the Authority, Bajkalská 27, P. O. Box 24, 820 07 Bratislava 27 or made into the Minutes from consulting the file not later than by 31 May 2017.

Ing. Imrich Smrtník
Director, Nuclear Safety Department

Encl:

1. List of building objects

This notice, in accordance with Section 80 of the Building Act has the nature of a public notice and as such it must be posted for 15 days on the official notice board of the municipality. The delivery date is the last day of its posting. After the period determined for posting, the public notice shall be returned, with the indication of the date of posting and removing, to the Nuclear Regulatory Authority of the Slovak Republic, Okružná 5, 918 64 Trnava.

The public notice in electronic form will be posted on the electronic notice board of ÚJD SR and at the Central Public Administration Portal.
