**Information for an entering person:**  
 For the purposes of entry permissions and entry control to nuclear installations, the operator (Slovenské elektrárne, a.s.) on the basis of satisfying legal requirements pursuant to Article 26 of Act No.: 541/2004 Coll. on Peaceful Use of Nuclear Energy (Atomic Act) and on the amendment of some acts in compliance with further regulations processes personal data of an entering person within the scope: title, name, surname, date of birth, birth registration number, permanent residence address, ID card number or other identity document number, citizenship, photograph of the person, where the personal identification based on biometric data will be used for entry permissions and entry control to guarded and internal premises.  
 At the same time, the operator shall provide for verification of the integrity and reliability of persons entering nuclear installations without an accompanying person by submitting criminal records disclosure, not older than 3 months; in case of work activities having impact on nuclear safety, the operator shall provide for the verification of health and mental competence of these persons.  
 In case of personal data provision refusal, the operator shall refuse entry permission to the nuclear installation.  
 Personal data are processed, recorded and stored for seven years after its recording.  
 Personal data can be accessed only by authorised persons (operator's employees, intermediary's employees in charge of performing physical protection) in compliance with the requirements of Regulation of the European Parliament and of the Council (EC) No.: 2016/679 as of April, 27 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation) (hereinafter referred to as "GDPR") and Act No.: 18/2018 Coll. Z. z. on Personal Data Protection as amended. The operator is authorised to make available and provide personal data to a state authority which accomplishes tasks in the field of constitutional set-up protection, internal order and national security on the basis of its application. The operator will not transfer personal data to a third country or to an international organization. Processed personal data are not subject to profiling or automated decision making.  
 A person involved shall have the right to require from the operator access to personal data related to the person involved, the right to rectify the data, delete the data or the right of limiting the processing of data or the right to object to the processing of data, as well as the right for data transfer.  
 For further information related to personal data processing and involved persons' rights see the operator's web site: <https://www.seas.sk/gdpr>  
 By adding their signature the person involved declares that provided personal data are correct and actual. The operator verifies the veracity of provided personal data against submitted identification document.
